Dear participants,

The demolition derby is fast becoming a sell-out event at many Florida fairs. With fast paced, fairly run events our entries are growing as well as our fair schedule. We are planning a 12 event schedule for the '08 season in which a King of the Derbies Florida state champ will be crowned. The champ will receive a jacket, trophy and cash awards. We will be soliciting sponsors for these awards. A competitor doesn't have to run them all, as only your top 3 finishes will count for your points.

Many new fairs are coming on board and more are talking about next year. Car rules are strictly enforced, as well as safety. Our rules are on the website at www.kingofthederbies.com or you can call our office with questions. Our car counts have been great and the participants are happy about the fair purse structures. All Entry fees in '08 will be \$25 per car which includes the drivers pit pass, plus regular fair admission.

Our 2008 points system starts at the St. Lucie county fair in February and will end in November, when our state champ is crowned. The schedule is as follows. Tell your friends and family and we'll see you at the derbies!

| | | | | |
|----|--------------------|-----------|--|--------------|
| 1. | Friday, Feb 22 | 7:00 P.M. | St. Lucie County Fair Ft. Pierce, FL | 78 & Newer |
